ENTIRE AGREEMENT

Licensee acknowledges that Licensee has read this agreement and understands this agreement (the "Agreement") is the final, complete and exclusive statement of the entire agreement between TravelOffice ApS("TravelOffice") and Licensee. This Agreement supersedes any prior and contemporaneous proposals, purchase orders, advertisements, and all other communications in relation to the subject matter of this agreement, whether oral or written. No terms or conditions, other than those contained in this Agreement, and no other understanding or agreement which in any way modifies these terms and conditions, shall be binding upon TravelOffice unless made by a written agreement, executed by duly authorized representatives of both TravelOffice and Licensee.

LICENSED SOFTWARE AND DOCUMENTATION LICENSE

1. TravelOffice hereby grants Licensee a non-exclusive, non-transferrable and perpetual license to use the enclosed computer software (the "Licensed Software") and the associated printed documentation (the "Documentation"), subject to the limitations set forth in this Agreement (the "License"). Licensee may use the Licensed Software only on one central processing unit with one input terminal. All right, title and interest to the Licensed Software and the Documentation are, and shall remain, in TravelOffice or TravelOffice's licensors, as the case may be. Licensee have no right of access to the source code of the Licensed Software. Licensee is not entitled to updates or upgrades of the Licensed Software or Documentation.
2. Licensee may not alter, assign, create derivative works, decompile, disassemble, distribute, lease, modify, reverse engineer, sublicense, transfer or translate in any way the Licensed Software or Documentation (except as specifically and expressly provided below for "redistributable files"); provided, however, that Licensee may permanently and simultaneously transfer all of the Licensed Software, Documentation and the License if: a) Licensee delivers to the transferee the Licensed Software and Documentation; b) notify TravelOffice in writing of such transfer; and c) destroy any archival/backup copy. Licensee agrees that the transferee must expressly accept all terms and conditions of this Agreement.
3. Licensee MAY NOT COPY the Licensed Software or Documentation (except as specifically and expressly provided below for "redistributable files"); provided, however, that Licensee may make one (1) copy of the Licensed Software for archival/backup purposes.
4. Licensee may create application software using the Licensed Software, including the trade secrets and confidential information of TravelOffice, and Licensee may incorporate in such application software, in executable form, those files identified in the Documentation as "redistributable files."

Licensee MAY NOT distribute the Licensed Software, in any format, to other users for development purposes. In particular, if Licensee creates a control using the Licensed Software as a constituent control, Licensee MAY NOT distribute the control created with the Licensed Software (in any format) to users for development purposes.

5. If either the Licensed Software or Documentation is used in any way not expressly and specifically permitted by this License, then the License shall immediately terminate. Upon the termination of the License, Licensee shall thereafter make no further use of the Licensed Software or Documentation, and Licensee shall return to TravelOffice all licensed materials, postage prepaid.

WARRANTIES

1. LIMITED WARRANTY ON DISTRIBUTION MEDIA. For a period of thirty (30) days following the date of delivery of the Licensed Software and Documentation to Licensee as the original licensee, if evidenced by Licensee's receipt as such, (the "Warranty Period") TravelOffice warrants the DISTRIBUTION MEDIA (the "Media"), such as diskettes or CDs, on which the Licensed Software is embodied to be free from defects in materials and workmanship under normal use. The warranty is personal to Licensee, and no warranty is made to Licensee's transferees. The entire risk of quality and performance is with Licensee. The Software and Documentation are not represented to be error-free. If either the Licensed Software, Documentation or both prove to be defective, Licensee assumes the entire cost of all servicing, correction or repair.

3. The foregoing warranty gives Licensee specific legal rights, and Licensee may also have other rights which vary from state to state. Some states do not allow the limitation or exclusion of implied warranties, so the above limitations may not apply to Licensee.

REMEDY FOR DEFECTIVE MEDIA

Licensee's sole and exclusive remedy in the event of a defect in a warranted item is expressly limited to replacement of the defective media. To receive a replacement, Licensee must send the defective media, with proof of purchase, to TravelOffice at the address indicated below, postage pre-paid and postmarked within the Warranty Period. In no event shall TravelOffice be liable for any other obligations or liabilities including, but not limited to, liability for damages (whether general or special, direct or indirect, consequential, incidental, exemplary), or for any claim for the loss of profits, business or information, or damage to good will
